The Honorable District Governor Sezai Moral  
District #2440  
Turkey

Dear Governor Moral:

On behalf of the citizens of Southfield, Michigan, United States of America, I am pleased to extend to you a warm welcome from our beautiful city. Ms. Jaimi Tarnow, a life long resident of Southfield, will be traveling to Turkey in April as a member of a Rotary Club Group Study Exchange team. I know Ms. Tarnow is looking forward to experiencing the rich culture of your country and establishing new friendships and relationships with the people she meets.

The City of Southfield is a community blessed with a richly diverse population. Our citizens are fortunate to have many opportunities to experience a wonderful variety of cultures and religions and develop an appreciation for the outstanding contributions each makes to our quality of life. The Southfield Rotary club is looking forward to hearing Ms. Tarnow share with them the valuable lessons she learns while in Turkey.

If you have the opportunity to visit Michigan in the future, please know that you are always welcome in the City of Southfield.

Sincerely,

Brenda L. Lawrence, Mayor  
City of Southfield
