District Governor Sezai Moral
Rotary International District #2440

Dear Governor Moral,

I am writing on behalf of the members of the Rotary International Group Study Exchange from Michigan, who will be visiting Turkey in April, 2008.

I am pleased that this group of young professionals will have this exciting opportunity to participate in a business and cultural exchange in Turkey. This will be an outstanding experience for them. I appreciate your willingness to share your culture and traditions with Rotarians from my state.

Thank you for your friendship and goodwill.

Sincerely,

Debbie Stabenow
United States Senator
