To The District Governor Sezai Moral, District #2440, Turkey:

On behalf of the City of Birmingham, State of Michigan, United States of America, I am pleased to provide you with greetings from our city.

Very soon some constituents of mine will be travelling to Turkey as part of the Rotary International's Group Study Exchange. I want to send along greetings to you and your fellow countrymen. Michigan is rich with culture, history, heritage, and a diverse citizenship. I am confident that our cultures can learn a great deal from each other. Any courtesies that you are able to extend to my constituents would be greatly appreciated.

Sincerely,

A handwritten signature in blue ink, appearing to read "Don + Carney", is written over the typed name.
