The Honorable District Governor Sezai Moral  
District #2440  
Turkey

Dear Governor Moral:

It is with great pleasure that I introduce to you Rotary International's 2008 Group Study Exchange team representing Michigan, the U.S.A., and Ontario, Canada: team leader Mark Farlow; Scott Brills; Jana Green; Angela Maher; and Jaimi Tarnow.

The team members are looking forward to enriching themselves both academically and culturally as they live and learn in Turkey for the next month through this international exchange program. They are extremely excited to learn about Turkey's rich history and unique culture. We especially want to thank you and the local hosts for your generosity.

I think we can both agree that in our increasingly global economy, international understanding is critical to success. And thanks to Rotary Clubs International, we are learning to work together to foster cross-cultural respect, peace, and understanding.

I want to thank you especially Governor Moral for making our team feel welcome and for embracing them with your warm hospitality. On behalf of the people of Michigan, I invite you to visit us in the Great Lakes State soon. It would be an honor to host you.

Sincerely,

Jennifer M. Granholm  
Governor
