To the Honourable Governor Sezai Moral of District #2440:

As the Member in the Parliament of Ontario for Chatham-Kent-Essex, I extend my best wishes to you and the wonderful people of Turkey on behalf of my constituents.

I am very proud to have Ms. Jana Green as our ambassador from Chatham, Ontario representing Rotary District 6380. She, along her fellow members from Michigan USA are very excited to have this unique cultural and vocational opportunity. I am certain through this journey of learning and discovery, they will gain new international perspective and develop skills that will allow them to be leaders in their respective profession.

Thank you for your friendship and hospitality.

Sincerely,

A handwritten signature in blue ink that reads "Pat Hoy".
