To The Honorable District Governor Sezai Moral, district #2440, Turkey:

On behalf of the people of the Elected Board of Trustee's of Commerce Township, Oakland County Michigan, United States of America, I am pleased to share greetings from the Board of Trustee's and its 36000 residents.

Very soon, some constituents of mine will be traveling to Turkey as part of the Rotary International's Group Study Exchange. I wanted to send along greetings to you and your fellow countrymen. Michigan is rich with culture, history, a proud heritage and a diverse people. I know our cultures can learn a great deal from each other as I did during the time I spent in your country while I served in the military. I spent two wonderful years in Turkey in 1964 thru 1966 both in Istanbul and Adana.

Marahaba na sawsinis aubby. Please forgive my spelling; I learned some of your language, but not how to spell very well. I have mentioned to Angela Maher one of the delegates what good people you are, and that the common people of the world would be heard there would be peace and not war. Turkey is a good friend of America, I thank you for that and I thank you for allowing this group to visit your country.

Sincerely,

Thomas K. Zoner, Supervisor  
Charter Township of Commerce
