To The Honorable District Governor Sezai Moral, District #2440, Turkey:

Personally and on behalf of my colleagues of the Walled Lake City Council and the residents of Walled Lake, Michigan, United States of America, I am pleased to extend greetings to you and your fellow citizens.

A group of Rotary International Ambassadors will be participating in the Group Study Exchange Program and will be visiting Turkey. One of the Rotary Ambassadors is the Honorable Angie Maher, a Council Member of the City of Walled Lake. Angie is also an active member of the Walled Lake Rotary, as well as an Insurance Restoration Specialist for Maher Construction. I am sure that she will be an excellent Ambassador for Rotary and the United States in this visit to Turkey. I am looking forward to her report that she will be sharing with all of us upon her return.

As a former member of the Walled Lake Rotary Club and also as one who has been active in the travel business, several of our trips have been to Turkey and they have always been most enjoyable. I am very pleased that a group of U.S. and Canadian citizens will be able to share their culture with you and learn from the Turkish culture, which is one of the oldest in the world.

If you or your colleagues should be visiting Michigan, I would be happy to meet with you.

Sincerely,

William T. Roberts
Mayor
